Atmosphere. Nature
At It's Best

Foreward

As you explore the landscapes, mountains, beaches, and teeming wildlife of Sierra Leone, you need a befitting base of operation, and Sierra Leone, through its numerous Hotels and Guest Houses, offers this.

With a perfect blend of elegance, luxury, and comfort, our Hotels and Guest Houses provide befitting accommodation, relaxation, and everything else a discerning visitor would need for an unforgettable stay.

In this Hospitality Directory (Vol. 1) you will be introduced to Hotels and Guest Houses at our Islands, beaches, country sides, capital city, coastal areas, and forest reserves.

The Hospitality Directory also offers an exhaustive list of Hotels, Guest Houses, Restaurants, Night Clubs, Bars, and Casinos across the length and breadth of Sierra Leone, so anywhere your exploration takes you, you are sure to find an appropriate Hospitality Establishment to serve you. Travel Agencies and Tourism Handlers are also included in the directory, all with full contact details and ratings.

Hospitality in Sierra Leone caters for all budget classes. Food across restaurants goes between US\$10-US\$30 (NLE240-NLE720), while accommodation can be secured for between US\$80-US\$200/night (NLE1920-NLE4800).

How the guide is organized: Accommodations, pg 5-37; Restaurants & Snack Shops, pg 37-46; Travel Agencies & Tourism Handlers, pg 46-53; Nighthclubs/bars & Casinos, pg 53-55.

With this Directory close by, you are perfectly placed to explore in comfort and elegance, the best that this beautiful land of freedom has to offer. **Welcome to Sierra Leone.**

The Hospitality Directory Vol 1 is being released in a draft format. MTCA and NTB wish to secure stakeholder input and comments before formally releasing the directory. A formal release date is planned for August 2024. Please submit comments directly to NTB.

How to Use the Hospitality Directory

The Hospitality Directory is designed to help you identify the hospitality services and lodging options that are in line with your budget and preferred quality standards. To aid this process, the Sierra Leone National Tourist Board (NTB) has adopted a new lodging classification system. The Economic Community of West African States (ECOWAS) classification system is sourced from international standards and best practises and uses a 1 to 6 CAT or rating scale for all types of accommodations. The following general definitions apply to the six CAT levels.

1. First Class. An up-market property with a full range of high end services, modern amenities and facilities, comfortable public areas, and meeting and work spaces or suite options.

2. Limited Service First Class. A comfortable, quality property with a unique atmosphere or design that provides modern amenities, all the essentials, and limited moderate services including dining and work spaces.

3. Moderate First Class. An up-market property that is comfortable yet sometimes simple but generally provides modern amenities, all the essentials, and some public facilities.

4. Superior Tourist Class. A mid-market economy property that is dependable, well- kept, functional, and affordable with select services and amenities. Public facilities are limited.

5. Moderate Tourist Class. A budget property providing basic room amenities but with limited availability of services. It may have some public facilities.

6. Budget Tourist Class. A budget property with a no-frills approach, providing basic accommodations and few limited to no room amenities/services at a low-cost.

In addition, NTB will be adding details on the cost of accommodations in future editions of the Hospitality Directory and welcomes feedback on the above definitions and proposed pricing ranges below:

- \$ = US\$10 to US\$25/night
- \$\$ = US\$26 to US\$50/night
- \$\$\$ = US\$51 to US\$75/night
- \$\$\$\$ = US\$76 to US\$100/night
- \$\$\$\$\$ = US\$101-150/night
- \$\$\$\$\$\$ = More than US\$150/night

Experience Sierra Leone

As you may already know, Sierra Leone is a beautiful country with stunning landscapes. In the north, there are tall mountains, while the south has lovely beaches lined with palm trees. The east is home to forests full of wildlife. The capital city, Freetown, is a relaxed place with amazing beaches like Lakka Beach and River No. 2 Beach, both just a short drive away from the center. If you want a more secluded beach experience, you can visit Banana Island, which is not far from Freetown.

If you explore further into the country, you'll discover more of Sierra Leone's natural beauty. You can climb Mount Bintumani, the highest point in West Africa outside of Cameroon, to see incredible views. In the Kangari Hills, you can track chimpanzees and elephants, and at Tiwai Island, you might catch a glimpse of the rare pygmy hippo wallowing in the Moa River.

One of the best things about Sierra Leone is its friendly and welcoming people. The locals will always greet visitors with a warm smile. You'll find most accommodations, like hotels and guesthouses, along the coast, near Freetown, and close to Banana Island. There are also some lodges available to rent near the forest reserves.

Experience the ultimate adventure
at **Daltons Banana Guesthouse**
on Banana Island.

Experience Dalton Banana Guesthouse on banana-shaped
Banana Island, where nature and history blend for an
unforgettable stay. Explore lush forests, stunning ocean views,
and vibrant marine life. Enjoy accommodations, seafood, fishing,
snorkeling, scuba diving, and diverse tourist activities.
A renowned hub for recreation and adventure in Sierra Leone.

Experience a hidden oasis in Sierra Leone **Axxess Guest House.**

In Freetown's vibrant heart, Axxess Guest House blends Sierra Leonean warmth with modern flair. Adorned with traditional artwork, it offers cocooning comfort and a fragrant terrace. As the sun sets, laughter and connection thrive; hosts become family, and flavors celebrate culture. A sanctuary of culture and camaraderie, Axxess Guest House leaves an unforgettable mark on fortunate visitors, unveiling Sierra Leone's soulful magic.

Experience the sanctuary for true relaxation at **The Hub Hotel.**

The Hub Hotel in Sierra Leone is an oasis amidst vibrant landscapes, offering contemporary architecture and warm hospitality for business and leisure travelers. With modern amenities and elegant decor, unwind in comfortable rooms boasting countryside views. Central location, local and international cuisine, a cozy bar, and state-of-the-art conference facilities make it a sanctuary of relaxation and connections. Experience true Sierra Leonean hospitality here.
